*****Please provide table settings for your family and JAWS will provide all beverages.**

We will head upstairs for our 2010-2011 winter season kick-off and potluck to welcome back long-time JAWS families and to meet-and-greet all of our new JAWS members and their families. Practice will be from 5:00-6:30 p.m., and then we will head upstairs for our potluck!

While your kids attend practice and enjoy the potluck Joann Wesseling will be circulating a volunteer sign up sheet for the Great Lakes Tropical Challenge which we will host in January and the Michigan Swimming District Championship Meet which we will host in February. It is a JAWS requirement to work and we appreciate your willingness to sign up and help the team. Thanks!
