We will head upstairs for our 2011-2012 winter season kick-off and potluck to welcome back long-time JAWS families and to meet-and-greet all of our new JAWS members and their families. Practice will be from 5:00-6:30 p.m., and then we will head upstairs for our potluck!

While your kids attend practice and enjoy the potluck Joann Wesseling will be circulating a volunteer sign up sheet for the Great Lakes Tropical Challenge which we will host in January. It is a JAWS requirement to work and we appreciate your willingness to sign up and help the team. The earlier you sign up the less we have to beg later

Thanks!
