

## Jenison JAWS Parent Consultants

Dear Jenison JAWS Parents,

Dave & Karen Barbachyn, and Jim & Joann Wesseling have volunteered to be age group representatives for our team. Their roles are to be informational resources to the rest of the team, especially for our new parents. There are a lot of questions about team policy, protocol, USS swimming, how to sign up swimmers for meets, etc, and they can help answer most of them. The Barbachyns and the Wesselings are veteran swim parents who are able to answer these questions.
