**Concession Stand - Workers Schedule**

The water polo season is upon us. We welcome all new players and families to the Water Polo Season! I will be representing the team at the Athletic boosters. Part of our responsibility to the boosters is to fill 6-8 concession slots during the school year as every other sports team does. We have found working in our own pool concession during our matches requires the fewest number of people in the least amount of time.

This season we have 5 home games and 2 home Invitational's. Our goal is to have one person, from each family, work at least once during the season at a game and an invitational. Rather than pass the a "sign up sheet" around I have assigned players parents randomly to each date. *If that date is not convenient, contact information will be made available by Jen it is your responsibility to make a trade with another family.* I will attend the monthly booster meeting and will be there to open and close the concession for each game. Give me a call if you have any questions.
